

## Extended Services

The aims of Extended Services are to support, motivate and educate parents, grandparents, carers, children and young people - extending opportunities and enriching lives for the community.

Working alongside Sutton Centre's Extended Services Team we are able to provide parents/carers with courses during school time. These may be for fun, to help you help your child or for you to gain qualifications.

We also provide After School activities and Saturday Clubs for the children across KS1 and KS2.

Please see our notice boards giving further details of the activities available to you and your children.

For any further information please see Teaching Assistant Emma Allsop who is based in the Infant building.

## Activities for the Summer Term 2010
