Dear Parents,

A few brief notes for the start of the summer term.

### **Security**

We have been hearing some very concerning reports about “strange men” trying to talk to children on an evening. Could you please reinforce the school message about “Stranger Danger” and ideally escort your children to and from their friends houses?! On a similar line could we again remind parents not to use the doors by the old Junior office to leave the building as these have been left open recently and this does put the children at risk!

### **Trim trails**

I do realise that these are great fun for the children to play on and I can assure you that they DO use them during school time. Unfortunately though we cannot let children play on them unsupervised, before or after school, as should a child have an injury, a suitably qualified person may not be around to help them.

### **Uniform/ PE Kit**

If I can remind parents that we do have a school uniform and that children should come to school suitably attired! Open toed sandals / flip flops are lovely for holidays – but not suitable for school!

Also, some children seem to be forgetting their PE kit on a regular basis so could you remind them that they are expected to bring their kit in to school on a Monday and then take it home on Friday. Pegs are provided for their PE kits in the cloakrooms.

### **Creative Partnership**

We have several artistic practitioners working with the children this term on teaching mathematics through both dance and music! (Alongside the school’s own scheme!) So if your child comes home singing some strange song or dancing around oddly then please bear with us.....!!

### **SATs term**

Just another quick reminder that it is a particularly important time for our Year 6 pupils and that SATs week begins on Monday 11<sup>th</sup> May. A letter will be sent home shortly about a Breakfast Club for Year 6 children as we get nearer to the 11<sup>th</sup>!

## **Car Parking**

Well so far this term it has been a warm start to our Summer term so we would encourage our children to come to school by walking rather than by car! I do realise for some parents who live quite some distance this can be a problem however
